

ACIEK(Winter) - IMIP

Call for Papers

17 –19 October 2020, Hangzhou China

ACIEK (former INEKA and GIKA) was initiated by Academy of Innovation, Entrepreneurship, and Knowledge and has held 10 international conferences at top international universities. The 2019 conference in Italy had involved more than 500 participants from 72 countries and regions and around 200 papers were selected for journal publication. See <https://www.aciek-academy.com/statistics/> for more information. The International Symposium on Innovative Management, Information & Production (IMIP) was founded in 2010 by the international institute of management engineers based at Waseda University and has held its 10th symposium in Asia. These two conferences will be jointly held (ACIEK – IMIP) on 17-19 October 2020 in Hangzhou, China.

ACIEK – IMIP (2020) welcomes scholars seeking to acquire a deep understanding of innovation and knowledge theory and practice, and aims to attract a leading international professionals to share ideas on frontier topics concerning Innovative Management, Innovation mechanism for economic development, Business management, Entrepreneurship and management, Sustainable development analysis and Fintech analysis, to promote profession advancement through collaboration on tools, processes and methodologies, and to provide a platform for further communications among researchers. Please visit the following link for more detail: <http://www.ismeip.org/IMIP2020/index.htm>.

One of the results of the Conference is to select papers that, depending on the specialty of the journal and the quality of the papers, will be able to publish in the affiliated journals. Also the conference will offer the following special sessions:

- Meet the Editor’s Session Debate (in which Editors-in-Chief of SSCI/JCR-ranked journals (WOS by Clarivate Analytics) will discuss the most advanced topics on the publications).
- How to publish Plenary Sessions in which Editors-in-Chief will offer special guidelines on how to publish in his/her journals.
