

ACIEK(Winter) - IMIP

Call for Papers

21 – 23 October 2023, Hangzhou, China

Knowledge creation, technological innovation and entrepreneurship driven by digital intelligence

ACIEK was initiated by Academy of Innovation, Entrepreneurship, and Knowledge and has held 12 international conferences at top international universities. The ACIEK 2022 Seville in Spain involved more than 560 participants from 78 countries and regions and around 200 papers were selected for journal publication (<https://www.aciek-academy.com/>). The International Society of Management Engineers (ISME) was founded in 2003 by the international institute of management engineers based at Waseda university and has held the 18 symposiums in Asia. As an important part of ISME, the International Symposium on Innovative Management, Information & Production (IMIP) was founded in 2010 and has held its 13th symposium in Asia. These two conferences will be jointly held (ACIEK- IMIP) on 21-23 October 2023 in China. ACIEK – IMIP (2023) welcomes scholars seeking to acquire a deep understanding of innovation, knowledge and digitalization theory and practice, and aims to attract a leading international professionals to share ideas on frontier topics concerning innovative management, innovation mechanism for greening development, business management, entrepreneurship and management, sustainable development analysis and Fintech analysis, to promote profession advancement through collaboration on tools, processes and methodologies, and to provide a platform for further communications among researchers. please visit the following link for more detail: http://ismeip.org/files/CFP_ACIEK2023.pdf.

One of the results of the Conference is to select papers that, depending on the specialty of the journal and the quality of the papers, will be able to publish in the affiliated journals. Also, the conference will offer the following special sessions:

- Meet the Editor’s Session Debate (in which Editors-in-Chief of SSCI/JCR-ranked journals (WOS by Clarivate Analytics) will discuss the most advanced topics on the publications).
- How to publish Plenary Sessions in which Editors-in-Chief will offer special guidelines on how to publish in his/her journals.
